

Attribute Battery type: Sealed lead acid battery Application: Solar System,UPS,EPS,Home energy storage
Battery Color: Black or Customizable Features: low self-discharge long service life

The Ultracell GEL Battery 12V 65Ah is designed to efficiently store the solar energy produced by your small photovoltaic systems. Thanks to its GEL technology, it offers enhanced safety, a ...

Sealed Battery, Safe Charging Manufactured with absorbent glass mat (AGM) separators and advanced valve regulated technology, which is maintenance-free, leak-proof, ...

Detail Show ... APPLICATION Solar Application Uninterruptible Power Supply (UPS) Electric Power Supply (EPS) Emergency Backup Power Supply Emergency Light Railway Signal Aircraft Signal Alarm and Security System ...

With its deep cycle capability, robust construction, and superior charge retention, this battery is ideal for off-grid solar systems, solar inverters, and backup storage in renewable energy ...

Sealed Battery, Safe Charging Manufactured with absorbent glass mat (AGM) separators and advanced valve regulated technology, which is maintenance-free, leak-proof, and gas-free.

Together with the perfect battery-testing scheme, we will help you to find the best solution to the disposition of batteries and make you set your heart at rest while using the batteries.

The Ultracell GEL Battery 12V 65Ah is designed to efficiently store the solar energy produced by your small photovoltaic systems. Thanks to its GEL technology, it offers enhanced safety, a long lifespan, and optimal ...

This 12V 65Ah solar gel battery is an AGM (absorbent glass mat), maintenance-free, valve-controlled solar rechargeable battery. The glass mat is used to absorb the battery electrolyte ...
