

Is the 3DR solo worth buying?

Considering the features and specifications outlined in the 3DR Solo review above, we can conclude this smart drone is definitely worth purchasing. But one may be wondering "what's the 3DR Solo Price?" The price for the 3DR Solo smart drone is \$999 without gimbal and \$1,399 with gimbal.

How much battery does a 3DR solo have?

The 5200-mAh battery of 3DR Solo offers up to about 20 minutes of flight time on a single charge. With a wonderful maximum payload capacity of about 0.4 kg., and a transmission range of up to 805 meters, the 3DR Solo is a fantastic scouting tool too. Here's how the 3DR Solo drone performs when it comes to its different features:

Does 3DR solo have a camera?

As mentioned above, you won't find a camera on the 3DR Solo drone. Therefore, the obvious downside to buying this drone is that you'll need to spend extra 400-500 bucks if you don't already own a compatible GoPro model - GoPro Hero 3 or 4 - to start capturing aerial shots. What's more, 3DR has integrated GoPro to the drone very well.

How much did the 3DR Solo Drone cost?

The 3DR Solo Drone originally had a price tag of approximately \$1,450. As the UAV/drone market opened up, companies like DJI from China introduced high-end, smart drones that took the community by storm.

What are some autopilot modes of the 3DR Solo Drone?

Choose from a variety of autopilot modes, from premapped flight paths, to orbit, lock-on-and-follow, and more. Using the Solo's smart flying features, you don't have to be on the sidelines to capture memories -- you can be a part of them, too.

Should I choose the Phantom 3 or the Solo drone?

While the Phantom 3 comes ready to fly with a camera and gimbal, I would recommend the Solo drone. It is more solidly built and can be programmed to fly autonomously. The Solo is also easy to fly and remains steady even in windy conditions.

The batteries on board electronics "Smart Battery" protects itself from most of these... but the one it doesn't protect from... high current discharge.. as this is a flying device, ...

The 3dr Solo is a professional drone without the professional drone price! Best Buy has the best deals for refurbished units. Not sure there are many still available, but I got a refurbished Solo ...
