Is AGL solar a good company?

Australia Solar Quotes gives AGL Solar a bit of a lower review, 1.9 out of 5 stars, but only based on 6 reviews. Again, customers cite difficulty getting in contact with AGL Solar once their system is installed for any issues that might have occurred. Click below to find a better deal for your home!

Can I buy solar battery storage through AGL?

If you purchase battery storage through AGL, you'll have the opportunity to join AGL's Virtual Power Plant. By joining AGL's VPP for five years, you'll receive \$1,000 off the outright cost of your solar battery storage.

What's the difference between AGL solar panels and SolarEdge Solar panels?

AGL has two solar packages available to purchase. The only real difference between AGL solar packages is if you want a Tesla Powerwall battery, or LG Chem RESU battery with SolarEdge StorEdge Inverter. With AGL solar panel packages you can opt to pay upfront, or choose to pay in equal instalments over 60 months (plus interest).

Does AGL offer a full solar PV system bundle?

If you're interested in purchasing a full solar PV system bundle with AGL, you'll also have access to AGL's Virtual Power Plant (VPP). If you choose to sign up for AGL's VPP for five years, you'll get \$1,000 off the upfront cost of your bundle.

Do AGL solar panels have a warranty?

The Hanwha Solar Panels used by AGL have a product warranty of 12 years which is ahead of the 10 year industry standard. They also have a performance warranty of 25 years, but unfortunately this is of little use to most households. The details of solar panel warranties can be found [here](#).
