

Can I replace my arizer solo battery?

The Solo Battery is covered under a limited 1-Year warranty and is also available for purchase upon request. To inquire about replacing your Solo Battery send us an email to: service@arizer.com. Arizer Batteries should not be substituted for third-party batteries -- Only use official Solo Batteries with your Arizer Solo.

What is the battery capacity of the Arizer Solo 2?

The Arizer Solo 2 has a 3400 mAh battery, which is the longest battery life of any portable vaporizer. The original Arizer Solo is known for its long battery life.

How often should I charge my Arizer Solo 2?

When you first get your Arizer solo 2, charge it fully before using it. To prolong its lifetime, charge it often but only up to 70-80% and avoid letting the battery completely die before charging.

Does arizer solo have a warranty?

Equipped for worldwide use with an input capacity of 110-240V with international safety certifications. The Arizer Solo carries a lifetime warranty on the heating element, a limited 2-Year warranty covering defects in materials or workmanship, and a limited 1-Year warranty covering the battery. Glass is not covered under warranty.

How long does the arizer solo battery take to charge?

The battery will take 3-4 hours to fully charge, or longer if you use it while charging. If your battery is running low, with the Arizer Solo you don't have to wait for the battery to charge before you can use it. Just plug it in, set the temperature, and use the Solo while the battery continues charging.

Is the Arizer Solo 2 a good portable vaporizer?

The Arizer Solo 2 is not particularly known for its portability, but it does excel in other areas. It looks and feels premium, is sturdy, and uses high-quality materials. However, one aspect where it does stand out is its insane battery life.
