

What are arizer Solo II batteries & chargers?

Arizer Solo II Batteries and Chargers are manufactured to strict quality standards, specifically for use with the Solo II. Only use official Solo II Batteries & Chargers. Do not use any third-party, counterfeit, or unknown brand batteries or chargers.

Can I tamper with the arizer Solo II battery?

Do not tamper with or misuse the Arizer Solo II Battery, and do not use damaged/defective batteries or Solo II devices. Arizer Solo II should be stored in a safe, temperature controlled, cool, dry place. Do not store in extreme temperature environments. Extreme heat or cold can damage the device and/or battery.

How long do arizer batteries last?

Arizer Batteries meet rigorous quality standards. With normal use they will last for hundreds of charge cycles before losing any capacity. Dropping the battery or the unit can result in battery damage that may limit / reduce the battery capacity quickly, so it is important to handle your unit carefully.

Is arizer liable if I don't follow instructions?

Failure to read or follow instructions, improper or careless use may lead to personal injury. Arizer and affiliated companies will not assume any liability for injury or damage resulting from the use or misuse of this device.

Does arizer offer warranty service?

Retain proof of purchase for warranty service. Returning the product and costs incurred are the responsibility of the user. Arizer will repair or replace warranted items at our discretion. The warranty does not cover units damaged by dropping, tampering, unauthorized service performed or attempted, modifying the unit, misuse or abuse.

Is arizer liable if I Touch Hot parts?

Arizer and affiliated companies are not liable for injuries or burns associated from touching hot parts. Arizer and affiliated companies are not liable for failures to comply with these warnings and safety guidelines. By purchasing this product, the buyer assumes all risks associated with lithium batteries.
