

How long does the arizer solo 2 last?

With three hours of battery life the Arizer Solo 2 beats even the Storz + Bickel Mighty by almost 10 sessions on average. That's a massively large battery capacity for a portable unit and makes the Arizer Solo 2 one of the best in its class. Charging the Solo 2 is a straightforward process that involves using an external DC wall charger.

How do I conserve the battery life of the arizer solo?

To conserve battery life, use the Arizer Solo in a temperature controlled environment and use the lower temperature settings. When outdoors, stay sheltered from the elements and avoid using in extremely cold temperatures. Charge the battery as necessary.

Is the Arizer Solo 2 worth it?

Is the Arizer Solo 2 worth it? Arizer has listened to the fans and improved the Solo 2 with better airflow, longer battery life, quicker heat up time, full digital temperature control, and a slew of other features.

How long does the arizer solo battery take to charge?

The battery will take 3-4 hours to fully charge, or longer if you use it while charging. If your battery is running low, with the Arizer Solo you don't have to wait for the battery to charge before you can use it. Just plug it in, set the temperature, and use the Solo while the battery continues charging.

What makes the Arizer Solo 2 stand out?

The Arizer Solo 2 vaporizer excels when it comes to great tasting vapor with lots of features and battery life for days. It's incredibly tempting at its current price point, and outperforms most others in its class.

What is the difference between arizer solo 2 vs Mighty?

The main differences between Arizer Solo 2 and Mighty vaporizers are in design, shape, and weight distribution. The Arizer Solo 2 has longer battery life but slower charging time compared to the Mighty. Both vapes offer precise temperature control on a full display. For a detailed comparison, read here: [Mighty vs Solo 2: Vaporizer Comparison](#)

5 ???&#0183; We tested the Solo 3 V2--Arizer's fastest-heating, dual-mode powerhouse with USB-C PD charging, XL glass stems, and a sharper color screen. Three-hour battery life sounds great, but does it hit like a desktop in a ...

The battery life of the Arizer Solo 2 is the longest of any portable vaporizer (yes, even longer than the Flowermate or the PAX 3). What else can you expect with a 3400 mAh battery?
