Are Aussie batteries & solar a good brand?

Very poor warranty service - Aussie battery's and solar are very under handed with there warranty. It has taken years of stalling by Aussie batteries and solar to now say it's now prorated payment now as I am out of date with my warranty this all started in the warranty period. Do not trust Aussie battery's and solar

Do Australian batteries & solar need a replacement?

No service when the batteries need replacement Very poor warranty service - Aussie battery's and solar are very under handed with there warranty. It has taken years of stalling by Aussie batteries and solar to now say it's now prorated payment now as I am out of date with my warranty this all started in the warranty period.

Does Aussie battery pay tax?

Aussie Battery aren't Australian,have no ABN,send dodgy batteries and NEVER answer emails. They wont provide a tax invoice,because they are obviously not paying any tax. Shop elsewhere and save your money. Show details

Is aussiebattery the same as ausbattery?

DO NOT BUY FROM THIS COMPANY. It appears that they're also called Ausbattery. Same website look as Aussiebattery. Don't trust the review number either, it is ...

Is aussiebattery a scam?

So close to being a total scam that it's hard to tell the difference... I ordered ten batteries, received two. The two that arrived did not ship (as stated on web site) from the AussieBattery warehouses in Sydney and Melbourne. Rather, they were drop-shipped from an unrelated eBay seller on the south coast of NSW. AussieBattery has not ... Read more
