

What are the benefits of solar blinds and shades?

Energy-saving technology uses sunlight to cost-effectively power motorized shades and blinds. Safe, long-life rechargeable Lithium-ion battery technology provides best in performance. Discreet low-profile solar panel is easy to conceal and preserves the design of the window.

Are solar panels and blinds a good idea?

"The idea to combine solar panels and blinds struck me when I saw sunflowers in the field turning to face the sun. With my invention, I wanted to claim that everyone is responsible for saving our planet." Our smart blinds generate around 100Wh per 1 sqm during sunny hours, which is enough to charge a smartphone, a laptop or to power a TV.

How do I control my motorized blinds or shades?

Motorization is available on all our most popular shades: Bali offers three ways to control your motorized blinds or shades: App & Gateway: A whole home solution with mobile app or voice control. Remotes: Easily lift and lower shades. Motorized Wand: Intuitive, 3-button wand that comes attached to the shade.

Are Smartwings blinds backed by a warranty?

Additionally, all shades are backed by a 3-year warranty for your peace of mind. SmartWings Remote Control Blinds are Automatic Solar Shades that provide seamless light control, enhancing convenience with advanced motorized operation Aventus.

How do smart blinds work?

Our smart blinds are mounted on the outside of the building and serve as a heat shield which helps to maintain a comfortable room temperature. With the consistent growth of population and electricity needs the atmospheric concentration of greenhouse gases is increasingly creating a warming effect.

How do Bali smart shades work?

Bali Smart Shades let you use your phone as a remote to lift and lower your shades inside your home. Add a Bali Gateway to control your shades from outside your home and to integrate your shades with a smart home system, such as Amazon Alexa or Google Home. Use the Bali App to create automatic routines that lift and lower your shades at set times.
