

# Beats headphone battery replacement solo hd

Where can I find replacement parts for Beats Solo HD wireless headphones?

FixABeat is your go to site for replacement parts for Beats Solo HD wireless headphones. You can find replacement wireless Solo HD headbands, Solo HD wireless ear pads, Solo HD internal wires, connectors, and more replacement parts here.

How much does a beats battery repair cost?

Chances are, if you've had Beats wireless headphones before, you may have busted the battery of a few pairs. This could have led you to spend at least \$59 and wait for 3-10 business days for each Beats battery repair. That's ridiculous, considering you can get the replacement battery for as low as \$10 on Amazon!

How do I change the battery on my Beats headphones?

First-gen Beats headphones use two regular AAA batteries, so swapping them out should be easier than newer models. Follow these steps to do so: Find the left speaker of the headset. It's the one that doesn't have the power button. Rotate the cover counterclockwise with your fingers to loosen and remove the battery cap.

Are beats wireless headphones worth it?

Beats have some of the most well-endorsed headphones by celebrities and athletes, which is among the reasons for their popularity. But they're not exactly famous for their durability and lifespan. Chances are, if you've had Beats wireless headphones before, you may have busted the battery of a few pairs.

Do Beats headphones have a faulty battery?

However, if the methods above won't work, chances are your Beats headphones have a faulty battery. You can confirm this by checking if battery levels have changed post-charging using your smart devices. For this, you need to pair your Beats headphones to check their battery.

Can I replace my beats battery if it's damaged?

If your product needs replacement because of physical damage, you can replace each damaged item for a fee. Accidental damage isn't covered by the Apple warranty. Accidental damage is eligible for applicable coverage for accidental damage from handling with your AppleCare for Headphones plan. We can replace your Beats battery for a fee.
