

How much does it cost to replace a Casio Pathfinder battery?

You can replace the battery in a Casio Pathfinder yourself for the cost of the battery, which can be purchased from a local jewelry or retail store for approximately \$30. Alternatively, you can send your Pathfinder to Casio for battery replacement for the same cost.

How do I reassemble my Casio Pathfinder watch?

After replacing the battery, touch the '-' and 'AC' terminals on your Casio Pathfinder watch with the tips of your metal tweezers for at least two seconds to ensure proper functioning once reassembled. Replace the battery strap and push it gently with the tip of your plastic tweezers to snap the latch in place.

How to replace batteries on a Casio sea-Pathfinder spf-40 watch?

Insert the four batteries into the four open holders with the plastic tweezers. Replace the metal clip for the inner two batteries by inserting it over the batteries with the plastic tweezers. Reset the watch. After replacing batteries on a Casio Sea-Pathfinder SPF-40 watch, the circuit must be reset.

How do I replace the battery on my Casio solar watch?

Slide the new battery (available at any electronics store or online) into the compartment and place the metal bar over it. Replace the battery cover and reassemble your Casio solar watch in the reverse order you took it apart.

What should I do if my Casio battery fails?

- o Leave battery replacement up to your original retailer or authorized CASIO service center.
- o Have the batteries replaced only with the type specified in the User's Guide. Use of a different battery type can cause malfunction.
- o When replacing the batteries, also request a check for proper water resistance.

Does Casio use a coin battery?

Any CASIO watch uses a coin battery, but it is not the same for all watches. We composed a table that will help you to choose the battery you need. You should only examine the rear cover of the case to know the module number or the watch's name. What is the CASIO battery size? All CASIO batteries are different, depending on the watch series.
