

# Casio tough solar watch battery replacement

What is the replacement battery for Casio watches?

Panasonic CTL1616 /CTL1616F Battery is the original replacement battery for Casio watches. It is a rechargeable battery that fits many Casio models such as G-Shock, Edifice, Lineage, Pathfinder, Pro Trek, Tough Solar, Wave Ceptor. This battery works for the following Casio models:

Do Casio solar watches require a battery?

Casio solar watches are powered by light, so they generally don't require a battery. However, the battery may need to be replaced if the watch is not exposed to enough light or if the battery is damaged. If your Casio solar watch needs a new battery, take it to an authorized Casio service center.

How to charge a G-Shock Tough Solar watch?

For those wondering how to charge a G-Shock Tough Solar watch, placing it under a light source for a few hours can often rejuvenate the battery. The Casio G-Shock solar low battery indicator is a handy feature that alerts the wearer to low energy levels, prompting for timely charging or battery replacement.

What is a Casio Tough Solar watch?

As is obvious from the title of the article, this model also features a Casio Tough Solar movement that means it uses light to run the watch and can store excess energy to stay running for many months in the dark. It's an accurate and reliable technology that's found in many Casio watches.

How do I replace the battery on my Casio solar watch?

Slide the new battery (available at any electronics store or online) into the compartment and place the metal bar over it. Replace the battery cover and reassemble your Casio solar watch in the reverse order you took it apart.

Why is my Casio solar watch not working?

Yet, like all technologies, it is not immune to wear and tear. If your Casio solar powered watch is not working as expected, checking the battery should be your initial step. The cost of a Casio solar watch battery replacement is generally affordable, ensuring that maintaining the watch's performance won't break the bank.
