

## Container pv kit turnkey solution price in Malaysia

Who is Suncatcher Sdn Bhd?

Suncatcher Sdn. Bhd. is a registered PV service provider with the Sustainable Energy Development Authority (SEDA) Malaysia. We offer turnkey solutions for solar PV system ownership, focusing on reliability, safety, and quality. We take pride in our knowledge and experience in the electrical field and our responsiveness towards our customers.

How a solar PV system will reduce the operational cost?

Solar PV system will bring down the operational cost up to 30%. Double Tax Incentive (Capital Allowance, 24% + Investment Tax Allowance, 24%) up to 48% of project sum. Financing incentives in addition to the reduction of costs to build solar panels will further make solar investment more profitable than before.
