What does EPC stand for?

Commercial & Industrial, Engineering Procurement and Construction. ENERGY DIALOGUE provides a turnkey Engineering, Procurement and Construction (EPC) service for solar PV systems. The solar PV systems designed and built by ENERGY DIALOGUE take into account several different aspects of PV design and implementation, including:

Should EPC contractors undertake early works?

There is an emerging trend for principals to engage the intended EPC contractor to undertake early works either before entering the EPC contract or before notice to proceed with the entire project is given. Usually, this is to enable international contractors to undertake geotechnical investigations and better price the ground risk.
