

## Customized mobile solar unit quotation for Bolivia project

What is a solar quote template?

Simplify quotation process with a template tailored for solar panel companies. This template includes a quotation form that enables you to easily collect data from clients and automate proposals. Looking for a streamlined way to present solar project quotes to potential clients?

What is a solar quotation form?

**Solar Quotation Form:** This form enables gathering essential data from clients about their solar system needs. It is fully customizable using a user-friendly drag-and-drop editor. **Simple Solar CRM:** Once client information is submitted through the quotation form, it is integrated into the Solar CRM system.

What is a solar quotation system?

The solar quotation system includes a straightforward customer relationship management(CRM) system that perfectly meets the needs of solar panel companies. Overbuilt systems can often complicate the process rather than streamline it.
