

This landmark project will be the first large-scale privately financed grid-connected solar independent power producer in the country and will support the government of Tunisia's ...

SolarPower Europe, supported by the Global Solar Council and the Chambre Syndicale du Photovoltaïque (CSPV) of Tunisia, publishes the second edition of its report on ...

Tunisia's solar projects, such as the 100 MW Photovoltaic (PV) Solar Power Plant in Kairouan and two 50-MW grid-connected solar power plants in Sidi Bouzid and Tozeur, play a ...

Tunisia recently announced a call for tenders for the construction and operation of 200 MW of photovoltaic solar capacity. This project is part of a broader national strategy to accelerate the ...

Tunisia is accelerating its energy transition by awarding 4 solar photovoltaic projects totaling 498 MW to reduce import dependency and promote renewable energy. Faced with growing energy dependency, Tunisia is taking ...

Does Tunisia have a solar power plant? First utility-scale photovoltaic plant (10 MW, in Tozeur) was commissioned in 2019 on German money. Tunisia aims to generate 30% of its electricity ...

Tunisia, a country with immense solar and wind potential, stands at a pivotal point in its energy sector. Renewable energy in Tunisia can address not only its energy poverty but also broader economic and social issues, creating ...

Tunisia targets 35 per cent renewable energy by 2030 According to a statement from the Tunisian presidency, through investing in renewable energy projects, Tunisia aims to ...

With abundant sunshine in Sousse - averaging 3,000 hours annually - solar energy storage isn't just an option; it's becoming a necessity. Let's explore how modern battery systems are ...

As a leading solar installation company in Tunisia, we specialize in designing and implementing customized solar projects for residential, commercial, and industrial clients.

With its abundant sunshine and vast open spaces, Tunisia is strategically capitalizing on solar energy to power its future. The Tunisian Solar Program (TSP) aims to ...

Trust SunWize to deliver expertly engineered custom solar modules for your portable industrial and electronic

applications. Moreover, with over 15 years of experience supplying custom off-grid and OEM specialty solar panels, we ...

Scatec ASA, a leading renewable energy solutions provider has signed a 25-year Power Purchase Agreement (PPA) with Tunisian state utility Sociétié Tunisienne de l'Electricité; ...

The Tunisian Solar Plan foresees a share of renewable electricity of 35% and an installed capacity of 4GW by 2030. In 2021, Tunisia had achieved only 400 MW, with the majority stemming from ...

The Tunisian Ministry of Industry, Mines and Energy has granted development licenses for four solar PV projects in Tunisia, with a combined capacity of 500 MW. France's Qair International will build a 100 MW solar ...

Whether you are an individual aiming to protect the planet or simply manage your electricity bill, our residential photovoltaic solar installation solution is designed for you. We offer custom solar systems, including photovoltaic panels, inverters, ...
