

Where to buy solar submersible pumps in Zambia?

With a consistent focus on technological innovation, PowerBack Energy Solutions is a major supplier of a wide selection of high quality solar submersible pumps in Zambia. They can operate directly off solar panels, batteries or a combination of the two. Their experienced sales team are available to help you select what best suits your needs.

Where can I get solar advice in Zambia?

Whether you need expert advice or high-quality solar products, we're here to help you make the switch to solar today. Office Number 11, Lonhro House, Cube 1 and 2, Cairo Road, Lusaka, Zambia. &#169; 2024 Insolar - Zambia | We delight in giving you power.

Why should you choose a solar pump system in Zambia?

Zambia has one of the biggest water resources in Sub-Saharan Africa and our solar pump systems will enable you to access those resources at any place. Either for residential use, irrigation of farm land or industrial applications, solar pumps will ensure an independent water supply at your location.

Why do you need a backup system in Zambia?

Load shedding is a constant problem in Zambia which can cause devastating revenue losses. Our backup systems will help you to be prepared in case of power outages. We design solutions that will secure your electronic devices like computers, laboratory equipment or even the complete electricity supply of shopping malls.
