

Costco Supermarket location at 4401 4TH AVE S, SEATTLE, WA 98134-2311 with address, opening hours, phone number, directions, and more with an interactive map and up-to-date ...

The objective of this research was to explore the influence that weed decision threshold (DT; expressed as plants m<sup>2</sup>), weed spatial distribution patterns, and spatial resolution of sampling ...

The threshold concept has traditionally been employed in decision-making in the context of pest management in agricultural production systems (Norton and Mumford 1993). As with many ...

As an extension of weed threshold models in which crop losses are based on weed density, an alternative model for grass weeds in cereal crops is proposed that incorporates the theoretical ...

Some of these thresholds can be applied to weed science for managing weeds in crops. Determining ETs or action thresholds of weeds involves methods that can measure and ...
