

Is the Garmin Fenix 6 a solar-powered watch?

The Garmin Fenix 6 is a solar-powered watch. Garmin have recently launched a number of solar powered watches where the battery life can be extended thanks to solar energy. In this review,I will go through the most important features of the Garmin Fenix 6 Pro Solar.

How long does a Garmin Fenix 6 Sapphire last?

During the testing period,I wore both the Garmin Fenix 6 Sapphire and the Garmin Fenix 6 Pro Solar for two weeks and exposed them to exactly the same conditions. The Garmin Fenix 6 Sapphire (without SOLAR) ran out of power on Day 10,while the Garmin Fenix 6 Pro Solar lasted about 12 hours longer. This corresponds to a battery life extension of about 5%.

What's new in the Fenix 6 & 6 pro solar watch?

The bigger change relates to its glass. Unlike the regular Fenix 6 and 6 Pro,the Solar uses custom "Power Glass" to coat the screen. This is the main selling point for the watch. The glass aims to help improve battery life when the watch is used outdoors.

Does the Fenix 6 Sapphire run out of power?

The Fenix 6 Sapphire,without the solar feature,ran out of power on Day 10. In contrast,the Fenix 6 Pro Solar provided an additional battery life of about 12 hours. This corresponds to a 5% battery life extension. During the two-week period,I went for 8 runs and spent approximately 2-3 hours outside each day.

Is the Fenix 6 pro solar a good fitness tracker?

The Fenix 6 Pro Solar is the latest top end fitness tracker from Garmin. It's a modest upgrade on the Fenix 6 Pro that wowed us last year, and that's no bad thing. Though the refinements made are modest at a glance, they add up to make the already great Fenix 6 line even better.

Can a Garmin Fenix 6 be used solo?

While you're navigating,the Fenix 6 Solar Pro keeps charging with the sun. Samantha Silverman While I wouldn't blanket-recommend solo hiking (especially at high altitude with some exposure),at my experience level,I felt very comfortable solowhile using the Garmin Fenix 6s (with its emergency features in mind) for directions on this trail.
