

What is a 220 AH tubular battery?

This 220 Ah tall tubular battery comes with an extensive backup and improved charging acceptance, making it durable. Owing to its high acid level per ampere hour and level indicators, this battery is effortless to maintain.

What is luminous iltt26060 (220 Ah) battery?

These long-lasting batteries have 30% more Acid volume per ampere hour than ordinary tubular batteries. These batteries can also withstand overcharge better. Its superior features have made it the most demanded UPS battery. Buy Luminous ILTT26060 (220 ah) Battery at best price at jkbatteryshop.com. Cash on delivery and free delivery available.

Which luminous battery is best?

The most trusted and longest-selling battery line of Luminous Battery is the Inverlast series. The battery ILTT 26060 is the battery created by luminous for providing the highest backup and low maintenance. This battery is of the highest capacity of 220 ah. Following are the required specifications

What is the capacity of luminous inverlast iltt 26060 220ah tall tubular inverter battery?

It has a capacity of 220Ah and a nominal voltage of 12V. The battery is made with a tall tubular design, which provides a large acid volume per ampere hour, requiring less maintenance efforts. Luminous Inverlast ILTT 26060 220Ah Tall Tubular Inverter Battery has a number of features that make it a good choice for use with inverters:

Why should you buy luminous inverter battery?

Featuring nifty level indicators, this inverter battery is a breeze to use, making it an excellent addition to your home. In case of any defect in the product, the customer needs to register a service call at Luminous toll free number 18001033039. Engineer visits in 24-48 hours and gives resolution.

The economical range of tubular UPS batteries with high performance, made using rugged tubular plates. These batteries require minimum maintenance and withstand long and frequent power ...

If you are looking for a battery with high performance and long battery life, the Luminous Inverlast ILTT 26060 Battery is a good choice. This 220 Ah tall tubular battery comes with an extensive ...
