

Do you need a battery for a solar system in Tasmania?

For those with an off grid solar system in Tasmania, batteries are essential for maintaining continuous power. We offer both an AC-coupled system and DC coupled battery systems as part of our solar installation of solar power systems.

Do you use solar energy in Hobart & Southern Tasmania?

We have even more examples and reviews from many customers living in Hobart and Southern Tasmania who now use solar energy to reduce their power bills. Paul and Suzanne chose Solahart Hobart after having a Solahart hot water heater on their previous home.

What is solar battery storage in Tasmania?

Modern solar battery storage in Tasmania is revolutionising energy management by allowing users to store and use renewable power effectively. These systems are particularly useful for households looking to avoid peak electricity prices or go entirely off-grid. Combined with an off grid solar system, battery storage keeps energy independence going.

Who makes the best solar batteries in Tasmania?

Our team will guide you through the process, ensuring your system is optimised for performance and durability. At Expert Energy Tasmania, we offer top-quality solar batteries from leading brands, including Sonnen, BYD and Tesla Powerwall. Sonnen batteries are known for their durability, advanced technology, and efficient performance.

Are solar panels a viable option in Tasmania?

In a similar trend to mainland Australia, solar power system prices in Tasmania have been on a downward trend for several years, making solar panels an increasingly feasible option for households in urban centres like Hobart and Launceston, and right across the state.

Who would you recommend to install solar in Hobart?

Very happy to recommend to anyone looking to install solar in Hobart. The installation team were super efficient and clearly knew their stuff. They were punctual and responded quickly and efficiently to a minor adjustment that was required a day after install. Left the property tidy, hardly knew they had been here at all. Great team.
