

Is a solar battery rebate still available in Victoria in 2025?

Yes, a solar battery rebate is still available in Victoria in 2025, but not through the state government. The original Solar Victoria loan and rebate programs have officially closed. Instead, households can now access support through the federal Cheaper Home Batteries Program.

Does Victoria offer a home battery rebate?

Victoria's primary support for home battery installations is delivered through the Solar Homes Program run by Solar Victoria. While the state's solar battery rebate (a direct cash rebate) has ended, it has been replaced with a generous interest-free loan to reduce your upfront costs.

Can Victorians get a rebate for solar panels?

With the new Cheaper Home Batteries Program, Victorians can access additional government rebates and interest-free loans for installing batteries. Here's the ultimate guide to the latest solar rebates and interest-free loans for solar panels, solar batteries and hot water systems.

Who is eligible for a Victoria solar rebate?
